

## Position: Scanning Technician

### Who we are

Swedish innovation meets Australian ingenuity; we are Orexplore.

Founded in Sweden, and a former subsidiary of Swick Mining Services, Orexplore Technologies, headquartered in Perth, is an Australian publicly listed technology company.

As our Australian HQ and world-class R&D centre in Stockholm experience rapid growth, we're expanding our teams. On the hunt for delivery-focused team members energised by technology transformation and the potential to enhance the industry.

A growing force in the digital transformation of the mining value chain globally, Orexplore is developing a suite of world-first technologies, generating 3D digital models of drill cores that deliver unprecedented insights for our clients globally.

### The Role

Your primary duties will be to undertake drill core scanning using Orexplore's GeoCoreX10.

Depending on client requirements, you will be operating on various client sites on a FIFO roster (both day and night shift) or the Bassendean Office on a weekday basis.

You have an understanding of and experience in:

- Core handling
- Core yard process workflow
- Drill core mark up standard practices
- You will be responsible for:
  - Organising incoming and outgoing core deliveries and receivables
  - Receiving and handling drill core trays and drill core to industry best practices and Orexplore Procedures

- Diligently organising and cross-checking the core for scanning
- Maintaining accurate records for timekeeping, stocks/stores etc
- Liaising with Internal and Client staff, drilling crews, and core yard crews as needed to support your work
- Maintaining a clean working environment and appearance

When using the GeoCoreX10, you will be responsible for the following aspects of its operation:

- Loading accurately measured core samples into sample holders
- Loading the samples into the GeoCoreX10
- Returning the samples to their original position in the core trays
- Maintaining accurate records of the samples
- Assisting the Service Manager as directed in basic supervised maintenance.
- Other duties as directed by Orexlore staff

**Desired:**

- Forklift ticket
- OH&S Certificates
- XRF Training

**Fast**

**Mobile**

**Sustainable**
